### New/Issues:

- I have been participating in virtual Director's Council meetings (It's now every other week, so our next meeting is tomorrow)
- I have completed two trainings with Jill Ryder, Polaris trainer for SALS. I have two more trainings scheduled in the next couple of weeks. One with Jack Scott for technology training and Erica Freudenburger for new director training
- We have received several shipments of new books that are now available on our shelves. Book ordering seems to be back on track!
- We began Level 3 of our Reopening Plan on Monday, July 27th.
- Curbside pickup has continued throughout July. It has been running smoothly and many of our regular patrons seem comfortable with using it.
- We have had a small number of patrons use the computers. They have been compliant with our safety regulations and have been grateful to have the use of the computers back.
- ILL has fully resumed!
