

2024-2025 Friends of the Bancroft Public Library Membership

Dear Neighbors,
Friends groups serve to strengthen the library. We are always looking for more library lovers to join our effort to make certain that the library is fully funded and appreciated. Our library is better because of all they do, which, in turn, enriches our communities.

We are writing to ask you for your continued support of the Bancroft Public Library by renewing your membership for 2024-25.

Through your membership donations we have been able to provide summer programming, adult and childrens crafts, and museum memberships.

This year we were able to purchase two “open” flags to display in front of the library, privacy fencing for the green space behind the library, funding for the Washington Co Office for the Aging Nutrition Luncheons in Salem. And due to popular demand we were able to reprint the “Tales & Legends from Salem” booklet which we have for sale in the library for \$15.

In addition, we were able to fund two programs offered by the library. One, a demonstration on the Irish martial art of “Bataireacht” by

John Borter and Wildlife Education presented by Bernadette Hoffman.

Thank you to all that continue to support the friends through membership and our wreath fundraiser!

Our annual meeting is April 23rd @6:30. This is the meeting where we nominate and vote on positions for the Friends of the Library- President, Vice President, Treasurer, and Secretary. We will be going over the year's report from the treasurer, planning out the rest of the year's meetings and voting on any purchase requests. We hope that you are able to join us and be a part of the discussion.
